To All Concerned,

The enclosed instrument is tender of payment for the debt in which I am billed pursuant to UCC § 3-603 (Federal) and/or Oklahoma Statute 12A § 3-603 (State of Oklahoma). The instrument is to be redeemed for Federal Reserve Notes ("cash") from the Federal Reserve Discount Window pursuant to 12 U.S.C. § 412. To facilitate that, Global Lending Services will need to use the normal custody chain to get it to a bank that has an OC-10 Agreement on file with the Federal Reserve. I can be reached via email (atomiccontrol@gmail.com) for questions, concerns, and guidance on how to determine this in the event that the agencies involved do not know how to verify the aforementioned agreement.

It is important to note that the amount offered is for a value exceeding the payoff amount identified in the monthly statement. It is to compensate for any additional fees that arise from the redemption process. The Federal Reserve Discount Window may discount the amount to make it insufficient to cover the entirety of the principal and fees. If this becomes the case, please send another statement to inform me of the remaining balance so I can make accommodation to pay that as well. The payment due date has been amended as well to facilitate ease of redemption. These negotiations are valid per UCC § 3-114 and/or Oklahoma Statute 12A § 3-114.

It is also important to note that this letter needs to accompany the instrument, or be made available to anyone in the custody chain of the instrument. This is to ensure that all persons involved with it are informed of the processing requirements, including getting the funds back to Global Lending Services in a timely manner. The instrument will be filled out in red ink. This is only for the purpose of making annotations easily identifiable and does not reflect any symbology beyond that. The same will apply to the autograph below.

A copy of this letter of instruction, along with a scanned copy containing the autograph, will be kept on file for record keeping purposes. A scanned copy of the instrument will also be maintained for similar purposes. As stated above, please email me for any questions, concerns, guidance, or comments. Thank you for your attention to this matter.

Very Respectfully,

_____, Representative
